## 4. International Global Citizens Forum (IGCF)

**When generosity starts talking, we share and grow together as a Global Society.**

**IGCF** stands for uniting individuals with extraordinary skills in specific fields, business entrepreneurs who create several job opportunities, and those who make significant contributions to uplifting their communities around the globe. All the members will have Global Citizens Passports to access enormous benefits, shared by its members. Eligible citizens will be selected for Achievement awards on their contributions and skills. We are called '**Global Citizens**' in our Forum.

### Advantages

The members have access to the charitable projects initiated by GreenWorld Global. They can benefit from the exclusive packages introduced by our four divisions and access to the wide range of international professional networks created by the members along with GreenWorld.

### Our social commitments

- Providing medical aid
- Awarding achievement recognitions
- Arranging international events
- Supporting women empowerment
- Educational support to poor families
- Unifying Global Citizens in one platform
- Identifying Scholarship for eligible students
- Providing free training to empower individuals

- Recognizing people for their extraordinary achievements
- Identifying individuals who made significant contributions
- Uplifting business entrepreneurs from marginalized communities
- Welcoming international collaboration from other charitable organisations for the common purpose.

**Join us to unearth the hidden opportunities of the modern world offers....**

### Advantages when you become a channel partner

- Privilege for full ownership
- Saving on startup cost
- Technical support
- Brand recognition
- Success Rate scalable business
- Access to multiple software and service products
- Backend processing support
- One time investment
- Possibility of multiple branches
- Continuous support and guidance

### General

We strictly follow our company policies according to the country's rules wherever we operate.

Same time, our valuable staff members and channel partners who are protected by our zero-tolerance policy, means we won't tolerate aggressive or misbehaving attitude within our family
